GDOE Vision: Every Student: Responsible, Respectful and Ready for Life!
MASES Mission: All students at Marcial A. Sablan will learn to achieve success in life!

Marcial A. Sablan Elementary School's School-wide Learner Outcomes (SLOs) have been in place for many years. This means that students should be able to display observable behaviors to determine if the specified SLO is being met. Below is a rubric of how we will evaluate students' success in demonstrating the outcomes. The faculty and staff are working to effectively evaluate each student's progress on demonstrating these outcomes. We will be developing a progress report to give to parents for each student's performance level each quarter on the SLOs. Please be on the look out for this at the end of each quarter.
