GDOE Vision: Every Student: Responsible, Respectful and Ready for Life!
MASES Mission: All students at Marcial A. Sablan will learn to achieve success in life!

Preparing for SY 2021-2022

Marcial A. Sablan Elementary School is beginning to plan for next school year's student schedules. To assist with planning, the district will offer two (2) models of learning for SY 2021-2022. They are Home Learning-Online and Traditional (Face to Face). We will have the selection forms sent home once it has been finalized. Please note that once a model of learning has been selected, students will remain on that schedule for the school year. This will assist the school in allocating resources efficiently.

Water Bottles

Please remember to send your child to school with a water bottle or a refillable bottle. Due to COVID-19, individuals are not to drink directly from the water fountains. Adults will assist in filling students' bottles with water from the fountains if needed.

Tree Removal

We are working on removing the large trees from the playground to improve safety from the possibility of branches breaking off and falling. We closed off the area where the work has commenced. We apologize for the noise from the tree cutters who are working on the removal.
