## WASC Accreditation

Marcial A. Sablan Elementary School was supposed to have a Full-Study visit in March 2020 but due to the COVID-19 Pandemic, our visit was postponed. We are moving forth with our accreditation process through a virtual Full-Study visit. We are asking parents to participate once we have dates for the virtual visit confirmed. Please contact the school at [masestars@gdoe.net](mailto:masestars@gdoe.net) if you are willing to sit in our committee meetings and virtual visit.
