Friendly Reminders

Attendance

It is important that the students come to school daily and on time. If your child is absent, please provide an excuse note the **following** day upon returning to school. Attendance is being taken and monitored for our program. Please take note that Half Days also count for attendance.

Healthy Snacks

Please encourage the students to bring healthy snacks to school. I'm kindly asking parents to refrain from giving the students candy for snacks. If candy is given, I will have the student place it in his/her bag and he/she will not be allowed to eat it during snack time.

School Planners

Please check your child's school bag and planner for any important information and daily behavior color. Don't forget to sign his/her planner and return in your child's school bag.

Your PreK Team,

Mrs. Cruz/Ms. Kristy
